AGREEMENTS

September 14, 2006

For 9-1-1 Emergency Communications

This agreement is made between the Franklin County Joint ETSB Public Safety Answering Point, hereinafter referred to as "PSAP", and the Coello Fire Department, for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING (Exhibit 8)

Franklin County PSAP Center receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Primary: 9-1-1 calls will be dispatched by computer via Law Enforcement Agency Data System (LEADS) through Central Dispatch to Coello Fire Department - ASZ.

Secondary: 9-1-1 calls will be relayed via telephone to the Coello Fire Department through Central Dispatch (618)724-2432 number.

AID OUTSIDE JURISDICTION BOUNDARY (Exhibit 9)

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 System.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board.

CALL HANDLING (Exhibit 8)

Franklin County PSAP Center receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Primary: 9-1-1 calls will be transferred via telephone to Mercy Regional Emergency Health Services by their (618) 439-0190 number.

Secondary: 9-1-1 calls will be dispatched via radio frequency 155.220 to Mercy Regional Emergency Health Services.

AID OUTSIDE JURISDICTION BOUNDARY (Exhibit 9)

Once and emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP Center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 System.

It shall be the responsibility of you agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board.
